Essential Requirements:

You must score 100 points minimum to be eligible for entry to the Adelaide Showground Farmers Market.

Accreditation for meat processing and transportation etc relevant for your industry will be required if applicable.

NB A sharefarming agreement where the producer has a significant involvement in the growing process will be considered. This involvement needs to be proven and signed off by all parties involved before approval is granted. If accepted, you will be required to show a sign acknowledging the other grower when selling this specific produce at the market.
