Boots Bows & BBQ's is a **fundraising** event, hosted by the Adelaide Showground Farmers Market for the establishment of a Kid's Kitchen and Edible Garden as an extension of the Market. **The Kitchen Garden Project** will provide an opportunity for children to take an exciting journey that will lead to an understanding of the connection between a healthy environment, a healthy food chain and a healthy community.

Adelaide Showground Caterers *Michael O'Brien's*, will work along side culinary-cluey kids, producers from the Showground Farmers Market, and some of the world's visiting culinary greats. Together they will serve a range of specially created dishes using market produce to bring guests a unique taste of South Australia. Rabbit, venison, trout, duck and lots more will be some of the choices on

the menu at this *hawker style* event, matched to South Australian wines.

Join us as we dish up the best SA has to offer direct from the farms, kitchens and vineyards of the Adelaide Showground Farmers Market producers.

PJ O'Rourke will present an evening of non stop entertainment featuring ***Ten by Ten***, our group of ten year olds who will give a premier performance of their specially commissioned percussion piece entitled *rapsoda* using kitchen utensils. The fabulous ***Maryatville High School Big Band*** will be providing some hot sounds for the evening!

So, polish up those gum boots and Blundstones, put a bow under the chin or in the hair and join us in what will be one of the most fun filled events on the

Tasting Australia calendar. And it's all for a really good cause! Help us reclaim the food chain for the next generation!

Tickets are limited, so we are offering members the opportunity to get in first!

**We have a voucher for a pair of Blundstones for the first member who buys two tickets!**
