Mothers’ Day May 11th

Bring her down to the Market for a very special day.

See Frank at MB Flowers and Marie at Olympus Flowers for fabulous bunches of fresh chryssies, lizzies and lilies.

Chocolates, cakes and specialty foods will help take the stress out of your Mothers’ Day. To make it even easier try some of the Market’s ready made meals, pies and tarts both sweet and savoury. Serve her with cheese, fresh salads and fresh crusty breads and beautiful jams and she’ll feel like a queen! Or bring her down to the market for one of David and the team’s big breakfasts. If you can keep her out of the kitchen she’ll love you for it!
