

ALEXANDRINA CHEESE COMPANY PRESENTS

Warm up for Winter

ART EXHIBITION JULY 2011

Winter Art Exhibition • Month of July • Launch 3rd July, 3pm

The exhibition will feature paintings & art works from Karen Hammat & Emanda Fretwell. Both artists will exhibit funky yet functional art works made from natural and commercial yarns & fibres. They employ techniques such as felting, weaving, knitting & crochet with attitude. The results of which are unique, mostly wearable, some are for the person and some for the personal space. This is a fantastic opportunity to see tactile and endless possibilities of creating with fibre!

Liebich

Join us for the launch, Sunday 3 July at 3pm sharp.
Discover true Barossa flavour from third generation winemaker, Ron Liebich and family. Sample a range of winter warming reds and fortifieds.

With the onset of winter we all need to feel not only the warmth & comfort which fibre art works provide, but also the use of both the natural & vibrant colours which are now available through both hand dyeing & commercial yarns. This exhibition will satisfy the need to warm the inner-self as well!

Alexandrina Cheese is thrilled to provide the perfect place to showcase the art works of two outstanding Fleurieu artists; as well as the opportunity to share a few morsels and a drop of wine from Liebich.

Karen Hammat completed her Bachelor's Degree in Visual Arts & Applied Design at O'Halloran Hill TAFE in 2005, winning the Minter Ellison Rising Stars Award as the Top Woman Vizarts Graduate of the School. She runs her arts practice from her studio/gallery in Yankalilla where she produces portraiture & abstract painting along with hand-crafted garments using wool from her own sheep.

Emanda Fretwell has both been a teacher & practitioner of many art forms since 1990, currently working in both textile & fibre arts. As a member of The Hand Spinners & Weavers Guild of SA and the Embroiderers Guild SA, as well as The Fleurieu Fabrications group & the Women with Fibre group constant inspiration flows.

Mt Jagged Sneyd Rd - Main Adelaide to Victor Harbor Rd, via Mt Compass
(Remember our blue feather flags will fly when venue is open!)

RSVP to the launch on Sunday 3rd July, please send an email
info@alexandrinacheese.com.au T 8554 9666 for more information.
